

Unconditional

Love is patient,
love is kind.

It does not envy,
it does not boast,
it is not proud.

It is not rude,
it is not self-seeking,
it is not easily angered,
it keeps no record of wrongs.

Love does not delight in evil
but rejoices with the truth.

Love bears all things,
believes all things,
hopes all things,
endures all things.
Love never ends.
